Description

The Abode hotel is part of the HQ development constructed by Pochin and involves fitting out the base build.

The hotel consists of 85 bedrooms rated at 4 different standards, Comfortable, Desirable, Envious and the Penthouse suites which are classed as Fabulous.

The finishes to the building will be to a very high quality, with various specialist joinery items and glass features as well as a variety of floor finishes.

There is a basement and lower ground floor, which are the parking areas, whilst on the ground floor there are two bar areas operating under the name of the renowned Chef Michael Caines. To the fifth floor there is a restaurant also operating under Michael Caines with a fine dining area, private dining area and a Champagne Bar.

Bedrooms are located on the 1st to 4th floor with a gym area on the 1st floor whilst the 6th floor houses the penthouse rooms with spectacular views of Chester, the race course and beyond.
