Gwynedd LL57 2EN
Tel: 01248 351151

Type of Contract

Design and Build

Description

Phase 2 and Phase 3 extension to Phase 1 constructed by Pochin seven years ago. Psychology Research Building constructed with a steel frame as opposed to in-situ for Phase 1. Thus resulting in significant programme and cost savings for the client.

Value

£4,400,000

Contract Period

43 weeks

Client Supervising Officer

Mr Joe Hudson
