## Description

New Build—3 storey College Building with Classrooms, IT Suites, LRC, Salons and Creche and surrounding soft landscaping.

This Learning Zone is to be a centre of educational excellence providing high quality courses for all ages in the Community up to post retirement.

The Learning Zone project is being led by Mid Cheshire College and supported by a number of agencies including the Learning & Skills Council, the County Council, the Northwest Development Agency and Vale Royal Borough Council. Winsford's two local high schools and Sir John Deanes College in Northwich are also involved in the project.

## Value

£6.9m

## Contract Period

52 weeks
